**Message:** This is a reply to a conversation I had with your office and Jennifer Herrera I sent in a response to an office action 09-28-06 patent no# 10/930,141. Along with this response I sent a certificate of abandonment on a duplicate patent no# 10/900739. It was brought to my attention that the abandonment was received but not the office response. I mailed both together and fear that my office response got mixed up with the abandonment. I am faxing the same response I mailed in. please help me to fix this problem. Please feel free to contact me if you need further information.

Thank you
